Will you help us build a lifetime of values for campers this summer?

Yes, I/we would like to help send a child to camp.

Gift amount: \$300 \$200 \$100 \$50 Other: \$ _____ **Thank You!**

We pride ourselves in creating a friendly environment conducive to learning. The following rules are enforced for the health, safety, and learning environment for all TAFSS participants. Please review these rules with your student and have them sign the *Student Signature Page*. Thank you!

Center Guidelines

Please help us by following these guidelines:

- **Sessions and Attendance:** Drone Camp is designed to be 7 hours in length per day. A student may not extend sessions in order to make up for missed time from prior days. Please pick up students in a timely manner after their session. Call if circumstances will make you late in picking up your child. We reserve the right to impose a \$25 fee for every 30 minutes you are late after we close.
- **Courtesy to Peers:** Please be respectful of other students. Poor treatment of others will not be tolerated. Disruptive behavior makes it difficult for other students to work. We reserve the right to ask your child to leave the center and will call a guarding for pick-up should disruptive behavior continue after repeated warnings. Repeated offenders will be dismissed from the camp with no reimbursement of fees.
- **TAFSS Materials:** The Camp, will emphasize on the participants development. This means that a significant amount of time will be spent using our tools, techniques, and materials to help students develop the skills necessary for classroom success.
- **Cell Phones/Electronic Device Policy:** In order for each student to get the best development from our camp, we ask that students do not use their cell phones or any other electronic devices during their training. Students are permitted to carry their cell phones, but they should not have them out unless contacting their parents or guardian.
- **Student Pick-Up Policy:** We are asking for your cooperation in escorting your child to and from the Center for safety reasons and so that we can shut down on time. Students must be picked up by a designated parent/guardian immediately upon completion of their session. Students will not be excused from the center alone for any reason unless we receive a parent's signature. Our goal is to ensure student safety, but also a smooth class flow and to eliminate overcrowding in both the classroom and parking area.

Please:

- No throwing of objects.
- For safety's sake keep the chair legs on the floor—no leaning back.
- Keep talking a low volume and minimize conversations with other students.

After each session, please clean up your surrounding area, including floor and table
